Directors' Report to the Members

Your Directors have pleasure in presenting the 42nd Annual Report together with the Audited Accounts of the Company for the financial year ended 31st March, 2017.

The State of the Company's Affairs:

Financial Results:

The Financial Results of the Company for the financial year 2016-17 are summarized as under:

Particulars	Year ended 31 st March, 2017		Year ended 31 st March, 2016	
		Rs. million		Rs. million
Gross Income		7,317		19,734
Profit before depreciation and tax		4,265		16,202
Depreciation		246		192
Profit before tax		4,019		16,010
Profit after tax		3,100		13,914
(A) Continuing operations:				
Profit before tax from continuing operations	4,019		10,994	
Tax expense	919		928	
Profit after tax from continuing operations [A]	3,100		10,066	
(B) Discontinued operations:				
Profit before tax from ordinary activities	Nil		(150)	
Tax expense thereon	Nil		23	
Profit after tax from ordinary activities (i)	Nil		(173)	
Gain on disposal before tax	Nil		5,167	
Tax expense thereon	Nil		1,146	
Gain on disposal after tax (ii)	Nil		4,021	
Profit after tax from discontinued operations (i+ii) [B]	Nil		3,848	
Profit after tax [A] + [B]		3,100		13,914
Surplus in Statement of Profit and Loss				
Balance at the beginning of the year		13,576		11,927
Profit for the year		3,100		13,914
Less: Appropriations				
Interim Dividend	1,505		11,578	
Dividend distribution tax	306		2,357	
Dividend distribution tax credit on dividend received from subsidiary	(306)		(1,670)	
Total Appropriations	1,505		12,265	
Balance at the end of the year		15,171		13,576
Earnings per share (in Rs.)		133.87		600.91

Gross income for the year was Rs. 7,317 million, down from Rs. 19,734 million in the previous year. The decrease was primarily due to lower dividend income from subsidiary company (current year Rs. 1,589 million vs previous year Rs. 8,200 million) and gain of Rs. 5,167 million in the previous year on disposal of wealth management business (representing the advisory and distribution services relating to the wealth management division). Expenses reduced by 12% to Rs. 3,298 million from Rs. 3,724 million in the previous year primarily on account of decrease in the employee cost and other expenses. Consequently, the profit before tax reduced to Rs. 4,019 million from Rs. 16,010 million in the previous year. Total Profit after tax declined to Rs. 3,100 million from Rs. 13,914 million in the previous year.

Profit after tax from continuing operations declined to Rs. 3,100 million from Rs. 10,066 million in the previous year primarily on account of lower dividend income from subsidiary company.

Transfer to Reserves:

The Board of Directors decided to transfer the balance in Investment Allowance Reserve of Rs. 1.19 million to General Reserve for the financial year ended 31st March 2017.

The Board of Directors decided not to transfer any amount to General Reserve from the profits of the Company for the financial year ended 31st March 2017.

Dividend:

The Board of Directors approved payment of interim dividend of Rs. 65/- per share on 23,155,039 equity shares of Rs. 10/- each on 16th March, 2017. The payment of said dividend entailed a dividend payout of Rs. 1,505 million.

The Board does not recommend any final dividend on the equity shares of the Company for the financial year ended 31st March, 2017.

Significant Developments during the year:

- Change in the Registered office of the Company:
The Board of Directors approved the shifting of the Registered office of the Company from 16th Floor, Express Towers, Nariman Point, Mumbai 400021 to Ground Floor, A Wing, One BKC, G Block, Bandra Kurla Complex, Bandra (East), Mumbai 400051 with effect from 2nd July, 2016.
- Change of the Registrar and Share Transfer Agent of the Company:
The Board of Directors at its meeting dated 19th August, 2016 approved the appointment of Link Intime India Private Limited in place of Sharepro Services (India) Private Limited as the new Registrar and Share Transfer Agent of the Company.
- Surrender of Membership of all segments of Metropolitan Stock Exchange of India Ltd.:
The Metropolitan Stock Exchange of India Ltd. has acceded to the Company's request for cancellation of its dormant Currency Derivatives Membership effective 6th February, 2017.
- Scheme of Amalgamation of DSP Merrill Lynch Capital Limited, a wholly owned subsidiary of the Company, with the Company:
The Board of Directors approved the Scheme of Amalgamation of DSP Merrill Lynch Capital Limited, a wholly owned subsidiary of the Company, with the Company under the provisions of Section 233 of the Companies Act, 2013 ('the Act') read with Rule 25 of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and other applicable provisions of the Act. The said scheme would provide the following benefits to the stakeholders of the both the Companies:

(i) Incremental operational and administrative synergies accruing to both DSP Merrill Lynch Limited and DSP Merrill Lynch Capital Limited and

(ii) Combination/consolidation of resources, expertise and energies.

Corporate Update, Operations and Future Outlook:

Primary Capital Markets activity saw an uptick driven by a stable macroeconomic environment and strong global liquidity. Equity capital issuances through Initial Public Offerings, in particular, nearly doubled to US\$4.4 billion, from US\$2.3 billion in the previous year. Debt Capital Markets (G3) saw volumes more than double to US\$15.7 billion in 2016-17, compared to US\$6.7 billion in 2015-16. M&A (announced) volumes grew 73 percent from US\$50.5 billion in the previous year to US\$87.5 billion driven by consolidation in telecom sector and increased cross-border activity in the Oil & Gas, E-commerce and Technology sectors. The Company believes that investor and business sentiments will continue to improve and will help drive transaction volumes in the Investment Banking businesses.

Normal monsoons, hopes of global growth recovery following US presidential elections and recovery in commodity prices aided equity markets. FII inflows rebounded to just over US\$8 billion (net) into the domestic equity markets as compared to outflow of US\$2 billion in the previous financial year. The highlight of the year was continued acceleration in domestic inflows – MFs recorded their largest net inflows of Rs.887 billion (~US\$13.2 billion) in Indian equity markets, rising from Rs.839 billion in the previous year.

Despite a stable macroeconomic environment, the expected GDP growth for 2016-17 was 7.1% as against 7.6% in the previous fiscal year. This can be attributed partly to demonetization which hit demand due to reduced liquidity. Fixed investment to GDP ratio fell to 26.6% maintaining a downward trajectory since FY12 due to stressed balance sheets of banks and firms, and sluggish utilization. On the brighter side, agriculture and allied sectors improved significantly in 2016-17 due to a normal monsoon after two consecutive years of sub-par monsoon rainfall. Consumption remained robust, particularly government final consumption, which is likely to grow 17% YoY. The 7th Pay Commission payouts boosted private consumption. Government expects GDP growth to accelerate to 7.5% in FY18.

The Current Account Deficit (CAD) has narrowed to 0.7% of GDP in Apr-Dec 2016-17 period vs. 1.4% in the corresponding period of previous year, due to decline in trade deficit on the back of benign oil prices. Software services receipts growth was marginal and financial services receipts reduced. Low oil prices also subdued the income in some gulf countries, which negatively impacted the remittances sent by Indians

working overseas, as private transfers reduced. Net FDI inflows rose by 12.3% to US\$30.6 billion, helping the balance-of-payments. Foreign exchange reserves continued to rise and stood at US\$389 billion as of 14th July 2017 from US\$360 billion at the end of FY16. INR appreciated 2% YoY by the end of FY17 aided by lower CAD and continued inflows.

ANNEXURE-II**Company's Policy on Director's Appointment by Nomination and Remuneration Committee****1. Background**

The Nomination and Remuneration Committee ("the Committee") is a committee of the Board of Directors ("the Board") of the Company to exercise oversight with respect to the Company's compliance with requirements set forth under Section 178 of the Companies Act, 2013 ("the Act"). The Committee reports to the Board as required.

The Committee is authorized to investigate any activity or matter within this Charter or as authorized by the Board.

The Committee has full and unrestricted access to information as it may be reasonably required and able to obtain independent professional advice deemed necessary.

2. Scope of Duties

The Committee is responsible for exercising oversight with respect to the Company's compliance with the applicable provisions of the Act which include:

A. Nomination:

- Identification of persons who are qualified to become Directors and who may be appointed in the senior management in accordance with the criteria laid down
- Formulating the criteria for determining the qualifications, positive attributes and independence of the Directors
- Discuss the proposals for new incumbent(s) who are nominated to be Director to the Board of Directors of the Company
- Review the qualification and credentials of every person nominated to the Board
- Assess the suitability of the person so nominated to be on the Board of Directors
- Discuss and recommend to the Board that the nominated person is fit and proper person to act as Director to the Company
- Recommend to the Board of Directors of the Company removal of Directors and carry out evaluation of every Director's performance

B. Remuneration:

- Recommend to the Board a policy relating to the remuneration for the Directors, Key Managerial Personnel and other employees
- As required by the Act, while formulating the policy the Committee shall ensure that:
 - The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully
 - The relationship of remuneration to performance is clear and meets appropriate performance benchmarks
 - The remuneration to Directors, Key Managerial Personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- The review of compensation decisions for Research Analysts shall be as required by the Securities and Exchange Board of India (Research Analysts) Regulations

3. Director Remuneration

- The Company's independent director remuneration philosophy is designed to appropriately remunerate its non-management directors for the time and effort required to serve. Independent directors receive remuneration for their participation in the Board or Committees of the Board, which is based on a market analysis in order to provide competitive annual payments reflective of market practices.
- All internal directors are remunerated based on their scope of responsibility, experience, market pressures and accountability as employees of the Company. Internal Directors do not receive additional remuneration for their membership or participation in the Board or Committees of the Board.

Criteria for Independent Directors as per Section 149(6) of the Act

An Independent Director in relation to a company, means a director other than a managing director or a whole time director or a nominee director:

- a. who, in the opinion of the Board, is a person of integrity and possesses relevant expertise and experience;
- b.
 - (i) who is or was not a promoter of the company or its holding, subsidiary or associate company;
 - (ii) who is not related to promoters or directors in the company, its holding, subsidiary or associate company;
- c) who has or had no pecuniary relationship with the company, its holding, subsidiary or associate company, or their promoters, or directors, during the two immediately preceding financial years or during the current financial year;
- d) none of whose relatives has or had pecuniary relationship or transaction with the company, its holding, subsidiary or associate company, or their promoters, or directors, amounting to two per cent or more of its gross turnover or total income or fifty lakh rupees or such higher amount as may be prescribed, whichever is lower, during the two immediately preceding financial years or during the current financial year;
- e) who, neither himself nor any of his relatives:
 - i. holds or has held the position of a key managerial personnel or is or has been employee of the company or its holding, subsidiary or associate company in any of the three financial years immediately preceding the financial year in which he is proposed to be appointed;
 - ii. is or has been an employee or proprietor or a partner, in any of the three financial years immediately preceding the financial year in which he is proposed to be appointed, of—
 - a firm of auditors or company secretaries in practice or cost auditors of the company or its holding, subsidiary or associate company; or
 - any legal or a consulting firm that has or had any transaction with the company, its holding, subsidiary or associate company amounting to ten per cent or more of the gross turnover of such firm;
 - iii. holds together with his relatives two per cent or more of the total voting power of the company; or
 - iv. is a Chief Executive or Director, by whatever name called, of any nonprofit organization that receives twenty-five per cent or more of its receipts from the company, any of its promoters, directors or its holding, subsidiary or associate company or that holds two per cent or more of the total voting power of the company; or
 - v. who possesses such other qualifications as may be prescribed.

An Independent director shall possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations or other disciplines related to the company's business.

Expectations of the Board regarding directors' qualifications:

The Board seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for business acumen and integrity.

Independent Directors are expected to demonstrate the following personal and professional characteristics:

- uphold ethical standards of integrity and probity;
- act objectively and constructively while exercising their duties;
- exercise their responsibilities in a bona fide manner in the interest of the Company;
- devote sufficient time and attention to their professional obligations for informed and balanced decision making;
- refrain from any action that would lead to loss of their independence;
- assist the Company in implementing the best corporate governance practices
- not allow any extraneous considerations that will vitiate their exercise of objective independent judgement in the paramount interest of the company as a whole, while concurring in or dissenting from the collective judgement of the board in its decision making;
- not to abuse their position to the detriment of the company or its shareholders or for the purpose of gaining direct or indirect personal advantage or advantage for any associated person;
- where circumstances arise which make an independent director lose their independence, the independent director must immediately inform the Board accordingly;

ANNEXURE-VI**Relevant Extract of Risk Management Policy**

The Company is an operating company engaged in activities as Stock Broker, Merchant Banker, Depository Participant and Research Analyst. It is indirectly owned by Bank of America Corporation. ('BAC')

Risk Management:

The Company's Risk Policy operates alongside BAC's global framework and encompasses the seven risk types described as below. It is noted that due to limited scope of business activities (primarily being fee based business), some of the below mentioned risks are currently not applicable to the Company:

- **Credit risk** is defined as the possibility of losses associated with diminution in the credit quality of borrowers. The losses stem from outright default due to inability or unwillingness of a customer to meet commitments on financial transactions. No lending activity is carried out under the Company. Issuer risk arises out of corporate treasury investments, Risk process in place to manage Mutual Fund investments with daily monitoring of limits. Debt & Equity Capital market underwriting activity is approved through regional committees including local risk manager representation.
- **Market risk** is the risk of loss due to changes in the market values of the entity's assets and liabilities caused by changing interest rates, currency exchange rates and security prices. Market risk is inherent in the operations and arises from corporate treasury investments (No trading activity currently undertaken). Organization uses Value at Risk ("VaR") modeling to evaluate the risks in its trading activities. The calculated VaR represents the worst loss the portfolio is expected to experience with a given level of confidence. It reflects the volatility of the positions in the portfolio and how strongly the risks are correlated. All limit excesses are communicated to senior management for review.
- **Operational risk** is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational Risk Events: inadequate or failed internal processes, people, systems and external events may result in unexpected or undesired consequences including a financial loss, an unexpected gain, a near miss and/or an opportunity cost (lost future revenue). The events associated with these unintended and/or undesired consequences are termed as operational risk events.
- **Strategic risk** including business risk is the risk that results from adverse business decisions, inappropriate business plans, ineffective business strategy execution, or failure to respond in a timely manner to changes in the macroeconomic environment, such as business cycles, competitor actions, changing customer preferences, product obsolescence, technology developments and the regulatory environment. The Company manages strategic risk through assessing earnings and risk profile throughout the year. These are periodically discussed in appropriate governance committee.
- **Liquidity risk** is the potential inability to meet contractual and contingent financial obligations on- or off-balance sheet as they become due. Sources of liquidity risk include unavailability of funding at the price or amount anticipated or credit rating downgrades. This may impact the ability to manage its asset and liability position. Virtually every financial transaction and commitment has liquidity implications.
- **Reputational risk** is the potential that negative publicity regarding an organization's business practices will adversely affect its profitability, operations or customer base or require costly litigation or other measures. It is the potential risk that negative publicity regarding an organization's conduct or business practices will adversely affect its profitability, operations or customer base, or require costly litigation or other defensive measures, is by its nature extremely difficult to quantify and lends itself to being mitigated by good governance controls.
- **Compliance risk** is the risk of legal or regulatory sanctions arising from the failure to comply with requirements of applicable laws, rules and regulations. Compliance is at the core of the Company's culture and is a key component of the risk management discipline.

INDEPENDENT AUDITORS' REPORT**To The Members Of DSP Merrill Lynch Limited****Report on the Standalone Financial Statements**

1. We have audited the accompanying standalone financial statements of DSP Merrill Lynch Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2017', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.

10. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2017 on its financial position in its standalone financial statements – Refer Note 24;
 - ii. The Company has long-term contracts as at March 31, 2017 for which there were no material foreseeable losses. There are no derivative contracts as at March 31, 2017

Annexure A to Independent Auditors' Report

Referred to in paragraph 10 (f) of the Independent Auditors' Report of even date to the members of DSP Merrill Lynch Limited on the standalone financial statements for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of DSP Merrill Lynch Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 9 of the Independent Auditors' Report of even date to the members of DSP Merrill Lynch Limited on the standalone financial statements as of and for the year ended March 31, 2017

- i (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
 - (c) The Company does not own any immovable properties as disclosed in Note 11 on fixed assets to the financial statements. Therefore, the provisions of Clause 3(i)(c) of the said Order are not applicable to the Company.
- ii As at March 31, 2017 the company had nil balance of Securities held as stock-in-trade. The securities held as stock-in-trade have been verified by the Management with the statement of holdings obtained from the National Securities Depository Limited (NSDL) at the financial year end. In our opinion, the frequency of verification is reasonable. There have been no material discrepancies between book records and statement of holdings provided by NSDL.
- iii The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- iv The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, service tax and other material statutory dues, as applicable, with the appropriate authorities.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, service-tax and other material statutory dues which have not been deposited on account of any dispute.
- viii According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- ix The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.
- x During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Notes to Financial Statements

1. Company background :

DSP Merrill Lynch Limited ("the Company") was incorporated under the Companies Act, 1956 ("the Act") on October 23, 1975. The Company is registered with the Securities and Exchange Board of India ("SEBI") as a Stock Broker, Merchant Banker, Underwriter, Depository Participant and Research Analyst. The Company is engaged in the business of stock broking, investment banking including advice on merger and acquisition transactions and principal transactions in securities.

The Company is ultimately controlled by Bank of America Corporation ("BAC").

The prospects of merger of the wholly owned subsidiary i.e. DSP Merrill Lynch Capital Limited with the company is being evaluated by Board to increase operational and administrative synergies of the merging companies.

2. Significant accounting policies :

a. Basis of preparation of financial statements :

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India under the historical cost convention and comply, in all material aspects, with the Accounting Standards ("AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Accounts) Amendment Rules, 2016, Companies (Accounting Standard) Rules, 2006, as amended and other relevant provisions of the Act. Accounting policies have been consistently applied, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the "Schedule III" of the Act. Based on nature of its operations, the Company has identified its operating cycle as twelve (12) months for the purpose of current and non-current classification of assets and liabilities in the Balance Sheet.

b. Use of estimates :

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and difference between the actual results and estimates are recognised in the period in which the results are known or materialise.

c. Tangible fixed assets and capital work-in-progress :

Tangible fixed assets are stated at the original cost of acquisition and related expenses less accumulated depreciation and accumulated impairment losses, if any. Assets, which are not under active use and held for disposal, are stated at lower of net book value and net realizable value. Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the reporting date.

d. Intangible assets :

The Company capitalizes intangible assets, where it is reasonably estimated that the intangible asset has an enduring useful life. Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

e. Depreciation and amortization :

- i. Except for items forming part of (ii) and (iii) below, depreciation on tangible assets is provided, pro-rata for the period of use, by straight line method (SLM), based on management's estimate of useful lives for the fixed assets as stated in the table below:

Category	Useful Life
Buildings	40 years
Computers and Allied Equipment	
- Desktops / Printers	2 years
- Servers / Laptops	4 years
- Computer Cabling	7 years
Office Equipment	
- EPABX	5 years
- Others	3 years
Furniture and fittings	10 years
Vehicles	5 years

Notes to Financial Statements (Contd...)

- ii. Assets costing less than the rupee equivalent of USD 1,500 are fully depreciated on purchase.
- iii. Leasehold improvements are depreciated over the lease period including the renewal periods, if any. Assets associated with premises taken on lease are depreciated on straight line basis over the lease period or the useful lives stated above, whichever is shorter.
- iv. The Company has arrived at the above estimates of useful lives based on an internal assessment and technical evaluation and believes that the useful lives stated above represent the best estimate of the period over which it expects to use the assets. With the exception of Furniture and Fittings and EPABX Office Equipment, the useful lives estimated by the Company as stated in the table above are different from the useful lives prescribed under "Part C" of "Schedule II" of the Act.
- v. Intangible assets are amortized over their useful lives as estimated by the management commencing from the date the asset is available for use as stated in the table below:

Category	Useful Life
Software	3 years
BSE Membership Card	10 years

f. Impairment of assets :

In accordance with AS-28 on "Impairment of Assets", an asset is considered as impaired when at the balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value-in-use). The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than the carrying amount, the carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the Statement of Profit and Loss.

g. Investments :

Investments are classified as current or non-current based upon management intent at the time of acquisition. Investments that are intended to be held for not more than one year from the date of acquisition are classified as current investments. All other investments are classified as non-current investments. Current investments are stated at lower of cost and fair value. Any reduction in the carrying amount and any reversals of such reductions are charged or credited to the Statement of Profit and Loss.

Non-current investments are recorded at cost as on the date of transaction. Provision is made to recognise a decline, other than temporary, in the value of such investments.

h. Revenue recognition :

Revenue is recognised when it is earned and no significant uncertainty exists as to its realisation or collection on the following basis :

Fees from investment banking activities including issue management, mergers and acquisitions, and advisory services	On stage wise basis / as per agreement
Investment advisory	As per agreement
Brokerage on equity/debt market transactions	On trade date basis
Brokerage/marketing fees on mutual funds/new issues	Based on mobilisation and intimation received from clients/intermediaries
Trading revenues (principal transactions)	On trade date basis
Underwriting commission earned, to the extent not reduced from cost of acquisition of securities	On closure of the issue
Interest income	On time proportion basis
Dividend income	When the right to receive payment is established

Revenue excludes service tax, wherever recovered.

Notes to Financial Statements (Contd...)**i. Employee benefits :**

Short-term employee benefits (benefits which are payable within twelve months after the end of the period in which the employees render services) are measured at cost. Long-term employee benefits (benefits which are payable after the end of twelve months from the end of the period in which the employees render services) and post employment benefits (benefits which are payable after completion of employment) are measured on a discounted basis by the Projected Unit Credit Method on the basis of annual independent third party actuarial valuations.

The Company has a defined contribution plan for post employment benefits in the form of Provident Fund. Under the Provident Fund Plan, the Company contributes to a Government administered provident fund on behalf of the employees. The Company has no further obligation beyond making the contributions. Contributions to Provident Fund are made in accordance with the statute, and are recognised as an expense when employees have rendered services entitling them to the contributions.

The costs of providing benefits under defined benefit plans are determined using the Projected Unit Credit Method on the basis of a third party actuarial valuation at each balance sheet date. The leave encashment and gratuity benefit obligations recognised on the balance sheet represent the present value of the obligations as reduced by the fair value of plan assets, if any. Any asset resulting from this calculation is limited to the discounted value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

j. Foreign currency transactions :

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are reported using the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the Statement of Profit and Loss. Non-monetary items are carried at historical cost using the exchange rates on the date of the transaction. Outstanding foreign exchange forward contracts are marked to market. Resulting losses are recognised in the Statement of Profit and Loss; gains are ignored.

k. Borrowing costs :

Borrowing costs primarily include interest and related costs of amounts borrowed for the operations of the Company. These are expensed to revenue on a time-proportionate basis.

l. Operating lease :

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the non-cancellable period of the lease term.

m. Earning per share :

The Company reports basic and diluted earnings per share (EPS) in accordance with AS-20 on "Earnings Per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

n. Taxation :

Taxes on income are accounted for in accordance with AS-22 on "Accounting for Taxes on Income" and comprise current and deferred tax.

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961.

The tax effect of timing differences that arises between taxable income and accounting income and are capable of reversal in one or more subsequent periods is recorded as a deferred tax asset or deferred tax liability. These are measured using the substantively enacted tax rates and tax regulations. Deferred tax assets arising on account of carry forward of losses and unabsorbed depreciation under tax laws are recognised only if there is virtual certainty of realisation, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets at each balance sheet date is reduced to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which the deferred tax asset can be realised.

Notes to Financial Statements (Contd...)

o. Cash flow statement :

The cash flow statement is prepared by the indirect method set out in AS-3 on "Cash Flow Statements" and presents the cash flows by operating, investing and financing activities of the company.

Cash and cash equivalents presented in cash flow statement consist of cash on hand, deposits with banks and current investments readily convertible to known amounts of cash and subject to insignificant risk of change in value.

p. Employee stock compensation :

Liability in respect of restricted stocks and restricted units of the ultimate controlling enterprise granted to the employees of the Company in terms of the global long-term incentive compensation plans of the ultimate controlling enterprise is accounted for initially at the fair value of the awards on the date of grant. The difference between the fair value on the date of grant and fair value on the date of vesting is accounted for when the stocks vest. At the balance sheet date, liability in respect of unvested stocks is re-measured based on the fair value of the stocks on that date.

q. Contingent liabilities :

Contingent liabilities as defined in AS-29 on "Provisions, Contingent Liabilities and Contingent Assets" are disclosed by way of notes to the accounts. Disclosure is not made if the possibility of an outflow of future economic benefits is remote. Provision is made if it is probable that an outflow of future economic benefits will be required to settle the obligation.

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group are in accordance with accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and jointly controlled entities respectively and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
6. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

8. We draw attention to the following emphasis of matter paragraphs included in the Audit report of DSP Merrill Lynch Capital Limited (DSPMLC), a subsidiary of the company, issued vide report dated May 16, 2017

"Without qualifying our opinion, we draw your attention to Note 24(c) to the financial statements. The Company has undertaken activities in the nature of corporate loans, investments (deployment of surplus funds into the units of mutual fund liquid schemes and government securities) and principal transactions till September 8, 2016. The aforesaid activities of the Company, other than investments (deployment of surplus funds into the units of Mutual Fund liquid schemes and government securities) and principal transactions in securities were confined to the eighteen permissible activities as stipulated in the FEMA Notification 94/2003-RE dated June 18, 2003. The ultimate outcome of the matter cannot presently be determined, for which no provision for any liability that may result has been made in the financial statements as of March 31, 2017."

[Note 24(c) of DSPMLC is reproduced as Note 29(b)(ii) to the Consolidated financial statements]

Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

9. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law maintained by the Holding Company, its subsidiary included in the Group entities in India including relevant records relating to preparation of the aforesaid Consolidated financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and its subsidiary.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company, its subsidiaries included in the Group entities incorporated in India including relevant records relating to the preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiary company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
 - (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact, if any, of pending litigations as at March 31, 2017 on the consolidated financial position of the Group entities— Refer Note 29 to the consolidated financial statements.
 - ii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company, during the year ended March 31, 2017.

Annexure A to Independent Auditors' Report

Referred to in paragraph 9 (g) of the Independent Auditors' Report of even date to the members of DSP Merrill Lynch Limited on the consolidated financial statements for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of DSP Merrill Lynch Limited (hereinafter referred to as "the Holding Company") and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding company, its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary company which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements

1. Corporate Information

DSP Merrill Lynch Limited (“the Company”) and its subsidiary companies [excluding the unconsolidated subsidiary – refer note 28(b)], collectively referred to as the “Group” are engaged in financial service businesses, namely stock broking, investment banking including advice on mergers and acquisition transactions, financing and lending and principal transactions in securities. The Company is ultimately controlled by Bank of America Corporation (“BAC”).

The Board of Directors of the wholly owned subsidiary company, DSP Merrill Lynch Capital Limited (“DSPMLC”) at its meeting held on 13th January, 2017 passed a resolution to discontinue its operations as a non-banking financial company (“NBFC”). The Board of DSPMLC at its subsequent meeting held on 20th February, 2017 authorized DSPMLC to apply to the Reserve Bank of India (RBI) for a voluntary surrender/cancellation of the Certificate of Registration (COR) obtained under Section 45-IA of the RBI Act. Pursuant to Board authorization, DSPMLC has made an application to RBI on 6th March, 2017 for voluntary surrender/cancellation of the COR. The application is currently under RBI review. As a pre-requisite for submission of the application for voluntary surrender/cancellation of the COR, DSPMLC was required to bring down the proportion of its financial assets to less than 50% of the total assets. As at 31st March, 2017, the financial assets continued to be less than 50% of the total assets of DSPMLC.

The prospects of merger of the wholly owned subsidiary, DSPMLC with the Company is being evaluated by the Board of both the companies to increase operational and administrative synergies of the merging companies.

2. Significant accounting policies:

a. Basis of preparation of financial statements:

The accompanying consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India and comply in all material aspects with the Accounting Standards (“AS”) prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Accounts) Amendment Rules, 2016, Companies (Accounting Standard) Rules, 2006 and other relevant provisions of the Act. The consolidated financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments measured at fair value through profit or loss. Accounting policies have been consistently applied, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy.

All assets and liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in “Schedule III” of the Act. Based on the nature of its business, the Group has identified its operating cycle as twelve (12) months for the purpose of current and non-current classification of assets and liabilities in the Balance Sheet.

b. Principles of consolidation:

The financial statements of the subsidiary companies (refer note 28) used in the consolidation are drawn up to the same reporting date as that of the Company. The consolidated financial statements have been prepared on the following basis:

- i. The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions along with unrealized profits or losses have been fully eliminated.
- ii. The excess of the cost to the parent of its investments in a subsidiary company over the parent’s portion of equity at the date on which investment in the subsidiary is made, is recognised as ‘Goodwill (on consolidation)’. When the cost to the parent of its investment in a subsidiary is less than the parent’s portion of equity of the subsidiary at the date on which investment in the subsidiary is made, the difference is treated as ‘Capital Reserve (on consolidation)’ in the consolidated financial statements.
- iii. On disposal of a subsidiary, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

c. Use of estimates:

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and difference between the actual results and estimates are recognised in the period in which the results are known or materialise.

d. Tangible fixed assets and capital work-in-progress:

Tangible fixed assets are stated at the original cost of acquisition and related expenses less accumulated depreciation and accumulated impairment losses, if any. Assets, which are not under active use and held for disposal, are stated at lower of net book value and net realizable value. Capital work-in-progress comprises costs incurred on fixed assets that are not yet ready for their intended use as at the reporting date.

Notes to the Consolidated Financial Statements (Contd...)

e. Intangible assets:

Intangible assets are capitalized, where it is reasonably estimated that the intangible asset has an enduring useful life. Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

f. Depreciation and amortization:

i. Except for items forming part of (ii) and (iii) below, depreciation on tangible assets is provided, pro-rata for the period of use, by straight line method (SLM), based on management's estimate of useful lives for the fixed assets as given in the table below:

Category	Useful life
Buildings	40 years
Computers and Allied Equipment	
- Desktops / Printers	2 years
- Servers / Laptops	4 years
- Computer Cabling	7 years
Office Equipment	
- EPABX	5 years
- Others	3 years
Furniture and Fixtures	10 years
Vehicles	5 years

ii. Assets costing less than the rupee equivalent of USD 1,500 are fully depreciated on purchase.

iii. Leasehold improvements are depreciated over the lease period including the renewal periods, if any. Assets associated with premises taken on lease are depreciated on straight line basis over the lease period including the renewal periods or the useful lives stated above, whichever is shorter.

iv. The management has arrived at the above estimates of useful lives based on an internal assessment and technical evaluation and believes that the useful lives stated above represent its best estimate of the period over which it expects to use the assets. The useful lives estimated by the management as stated in the table above are different from the useful lives prescribed under "Part C" of "Schedule II" of the Act with the exception of Furniture and Fixtures and EPABX Office Equipment.

v. Intangible assets are amortized over their useful lives estimated by the management as stated in the table below, commencing from the date the asset is available for use:

Category	Useful life
Software	3 years
BSE Membership Card	10 years

g. Impairment of assets:

In accordance with AS-28 on "Impairment of Assets", an asset is considered as impaired when at the balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value-in-use). The management of the Group assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than the carrying amount, the carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the Statement of Profit and Loss.

h. Allowance for bad / doubtful debts and advances :

Allowance for bad and doubtful debts and advances is made and disclosed in accordance with the applicable prudential norms prescribed by the regulators. In cases where management estimates a higher risk of recovery, allowance is made at amounts higher than those prescribed under the prudential norms.

i. Investments:

Investments are classified as current or non-current based upon management intent at the time of acquisition. Investments that are intended to be held for not more than one year from the date of acquisition are classified as current investments. All other investments are classified as non-current investments. Current investments are stated at lower of cost and fair value. Any reduction in the carrying amount and any reversals of such reductions are charged or credited to the Statement of Profit and Loss.

Non-current investments are recorded at cost as on the date of transaction. Provision is made to recognise a decline, other than temporary, in the value of such investments.

j. Inventories

Securities held as stock-in-trade are valued at lower of cost and market value by category of security held.

Notes to the Consolidated Financial Statements (Contd...)

k. Revenue recognition:

- Revenue is recognised when it is earned and no significant uncertainty exists as to its realization or collection on the following basis:
- i. Brokerage from equity / debt market transactions is recognised on trade date basis.
 - ii. Fees from investment banking activities including issue management, mergers and acquisitions, and advisory services are recognised on stage wise basis / as per agreement.
 - iii. Underwriting commission earned, to the extent not reduced from cost of acquisition of securities is accounted on closure of the issue.
 - iv. Income from financing and lending activities is recognised on a time proportionate basis and is primarily in the nature of interest on loans, advances, debentures and bonds and upfront fees and commission. Interest on loans classified as non-performing assets is recognised in accordance with the applicable prudential norms as prescribed by the regulators.
 - v. Income from principal transactions are accounted on trade date basis and comprises gains and losses on securities and fair value gains or losses
 - vi. Brokerage / marketing fees on mutual funds / new issues are accounted based on mobilization and intimation received from clients / intermediaries.
 - vii. Investment advisory income is accounted as per agreement.
 - viii. Interest on bank deposits is accounted on accrual basis.
 - ix. Dividend income is recognised when the right to receive payment is established.
 - x. Revenue excludes service tax, wherever recovered.

l. Employee benefits:

Short-term employee benefits (benefits which are payable within twelve months after the end of the period in which the employees render services) are measured at cost. Long-term employee benefits (benefits which are payable after the end of twelve months from the end of the period in which the employees render services) and post employment benefits (benefits which are payable after completion of employment) are measured on a discounted basis by the Projected Unit Credit Method on the basis of annual independent third party actuarial valuations.

The Group has defined contribution plans for post employment benefits in the form of Provident Fund. Under the plan, contributions are made to a Government administered provident fund on behalf of the employees and the Group has no further obligation beyond making the contributions. Contributions to Provident Fund are made in accordance with the statute, and are recognised as an expense when employees have rendered services entitling them to the contributions.

The costs of providing benefits under defined benefit plans are determined using the Projected Unit Credit Method on the basis of a third party actuarial valuation at each balance sheet date. The leave encashment and gratuity benefit obligations recognised on the balance sheet represent the present value of the obligations as reduced by the fair value of plan assets, if any. Any asset resulting from this calculation is limited to the discounted value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

m. Foreign currency transactions:

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are reported using the exchange rate prevailing at the balance sheet date. All exchange differences are dealt with in the Statement of Profit and Loss. Non-monetary items are carried at historical cost using the exchange rates on the date of the transaction. Outstanding foreign exchange forward contracts are marked to market. Resulting losses are recognised in the Statement of Profit and Loss; gains are ignored.

n. Borrowing costs:

Borrowing costs primarily include interest and related costs of amounts borrowed for the operations of the Company. These are expensed to revenue on a time-proportionate basis.

o. Operating lease:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the non-cancellable period of the lease term.

p. Earning per share:

Basic and diluted earnings per share (EPS) are reported in accordance with Accounting Standard 20 on "Earnings Per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable

Notes to the Consolidated Financial Statements (Contd...)

to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

q. Taxation:

Taxes on income are accounted for in accordance with Accounting Standard 22 on "Accounting for Taxes on Income" and comprise current and deferred tax.

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961.

The tax effect of timing differences that arise between taxable income and accounting income and are capable of reversal in one or more subsequent periods is recorded as a deferred tax asset or deferred tax liability. These are measured using the substantively enacted tax rates and tax regulations. Deferred tax assets arising on account of carry forward of losses and unabsorbed depreciation under tax laws are recognised only if there is virtual certainty of realisation, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets at each balance sheet date is reduced to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which the deferred tax asset can be realised.

r. Cash flow statement:

The cash flow statement is prepared by the indirect method set out in Accounting Standard 3 on "Cash Flow Statements" and presents the cash flows by operating, investing and financing activities of the company.

Cash and cash equivalents presented in cash flow statement comprise cash on hand, deposits with banks and current investments readily convertible to known amounts of cash and subject to insignificant risk of change in value.

s. Employee stock compensation:

Liability in respect of restricted stocks and restricted units of the ultimate controlling enterprise granted to the employees of the Group in terms of the global long-

term incentive compensation plans of the ultimate controlling enterprise is accounted for initially at the fair value of the awards on the date of grant. The difference between the fair value on the date of grant and fair value on the date of vesting is accounted for when the stocks vest. At the balance sheet date, liability in respect of unvested stocks is re-measured based on the fair value of the stocks on that date.

t. Contingent liabilities:

Contingent liabilities as defined in Accounting Standard 29 on "Provisions, Contingent Liabilities and Contingent Assets" are disclosed by way of notes to the accounts. Disclosure is not made if the possibility of an outflow of future economic benefits is remote. Provision is made if it is probable that an outflow of future economic benefits will be required to settle the obligation.

*DSP Merrill Lynch Trust Services Limited was sold to Julius Baer Group on 19th September, 2015

b. Particulars of subsidiary whose accounts have not been considered for the consolidated financial statements ("Unconsolidated Subsidiary")

Name of the Unconsolidated Subsidiary: Merrill Lynch Wealth Advisors Private Limited.

The Company had promoted a wholly owned subsidiary company, Merrill Lynch Wealth Advisors Private Limited ["MLWA"], in order to facilitate transition of Wealth Management business ["WM business"] to Julius Baer Group ["JBG"]. The transfer of the share capital held by the Company in MLWA to the two JB Group entities, viz. Julius Baer Group Ltd. and Julius Baer Investment Ltd. was completed on April 13, 2015.

Given the temporary nature of control, MLWA was excluded from the scope of consolidated financial statements in line with Accounting Standard 21 on "Consolidated Financial Statements".

29. Contingent liabilities :

Particulars	As at 31 st March, 2017 Rs. million	As at 31 st March, 2016 Rs. million

(b) (i) Others:	0.61	10.00*

* During the current year, the Company has received favorable judgment from appellate tribunal against the show cause notice received from SEBI related to disclosures in Initial Public Offer document of an issuer.

- (ii) The wholly owned subsidiary company, DSP Merrill Lynch Capital Limited (DSPMLC) has undertaken activities in the nature of corporate loans, investments (deployment of surplus funds into the units of mutual fund liquid schemes and government securities) and principal transactions during the period April 1, 2016 to September 8, 2016, which in the it's view, are covered under the head "Leasing & Finance" in the list of the eighteen activities permitted for NBFCs with Foreign Direct Investment (FDI) under the automatic route in terms of the FDI policy of the Government of India. Further the FDI norms were modified to include under 'Other Financial Services' all financial services activities regulated by financial services regulators under the automatic route vide Notification No. FEMA. 375/ 2016-RB Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) (Thirteenth Amendment) Regulations, 2016 dated September 09, 2016 issued by the Reserve Bank of India (RBI), and accordingly the activities undertaken by DSPMLC during the period September 09, 2016 to March 31, 2017 were regulated by RBI.

With reference to activities covered under the "Leasing & Finance" category till September 8, 2016, DSPMLC had sought a clarification from the Foreign Investment Promotion Board (FIPB) with respect to its principal transactions on 16th June, 2010. DSPMLC received a response (dated 31st October, 2011) from the FIPB stating that proprietary trading should not be allowed in NBFCs, which are set up by or are group companies of Banks (either Indian or foreign) with or without physical presence in India. DSPMLC, vide letter dated 25th January, 2012, has written to FIPB clarifying that it undertakes activities, which involve trading, but do not constitute proprietary trading since these are undertaken to facilitate treasury operations, liquidity management, hedging activity for risk management purposes, buying / subscribing and selling / syndication of debentures and corporate bonds to provide financing to clients and market making for clients for their investments in bonds / debentures. DSPMLC has sent a reminder letter dated 11th October, 2012 and is awaiting response. The ultimate outcome of the matter cannot presently be determined and hence no provision for potential liability, if any has been made in the financial statements as of 31st March, 2017
